

TARRVI LAAMANN - CV - www.Laamann.ee - Kunst, Taide, Art, Āto, Yishù

...olen Tarrvi Laamann, 29. novembril 1973. aastal Eestis sündinud kunstnik. Võtan oma loominguga ümbritsevast meeldiva, ehk hea vibratsiooniga impulsi ja toon selle vaatajani, kasutades selleks erinevaid tehnoloogiaid. Kutsun seda keskkonnast optimistlikku impulssi leidmist ja hilisemat loomingulist väljendust: "Tarrvinismiks".

---english version---

...I am Tarrvi Laamann, an artist born on November 29, 1973 in Estonia. With my creation, I take a pleasant, or well-vibrating impulse from the surroundings and bring it to the viewer, using various technologies. I call it an optimistic impulse from the environment and a later creative expression: "Tarrvinism."
